RIGHT HAND MAN OFF TO CAPTURE TO BENCH AND BAR COTTON SPINNERS

Edward Brown's Long Career at Library Ends With Sudden Death. Dabney Commissioned by Chamber of Commerce to Bring Them Here Again.

Ending a life replete with honest labor and leaving a vacancy that many a lawyer will regret to see filled by another, Edward S. Brown, who on Monday celebrated his sixtieth birthday and the fortieth year of his service as assistant in the State Library, died suddenly last night at his home, 107 St. John Street. He worked as usual yesterday, and was out the street early last evening, apparently in the best of health.

Of all the colored men who have achieved prominence and good name among both races in Richmond and the State, none was more unique or more sincerely regarded than the "assistant librarian." Two score years ago he began his service for the State as janitor, just after the Capitol disaster in 1870. P. C. Nicholas, chief then for the Supreme Court, had just been appointed librarian. He looked around him for an assistant. Brown was busy cleaning up the floors. He got the appointment, and he had held it ever since, and in a few years his name was known to every practicing lawyer in the State.

He soon acquired expert knowledge of legal bibliography, and whenever any lawyer wanted to find a certain volume bearing on a certain case it was Brown who found it. His services were so signal that a law report took occasion to mention him in a footnote. He also had a license to practice law, but he preferred his work as a librarian. He increased in diligence and efficiency, and he soon became invaluable.

When, after the falling in of the old Capitol building, the law library was moved to the old Sycamore Church, Brown sorted and rearranged the thousands of volumes. It was in this way that he received his first lessons in bibliography, and later he learned what was in many of the books he had handled so long.

The news of his death will be received with deep regret, for he served honorably in an honored position, and his place will be hard to fill.

CHAMBER FINALLY WARRANTS FOR TO DREDGE RIVER STOPS CARS HERE BELOW RICHMOND

Richmond Pullman on Coast Sheriff of Roanoke Says They Violated Speed Laws, Which They Deny. War Department to Open Bids To-Morrow for Important Work.

WILL BRING MORE TOURISTS NEVER IN THAT COUNTRY MEANS DEEPER CHANNEL

Travelers Go By Now Because They Won't Leave Sleeper Long Before Daylight.

Exactly what a little thing like a sleeping car is worth to a big town will be made plain to a test after November 1, when the Atlantic Coast Line Railroad, acting finally at the urgent request of the Chamber of Commerce, will inaugurate additional Pullman service between Richmond and Florida points.

For some months a committee from the chamber has been impressed with the fact that the city was losing trade to the hotels a large share of the tourist business because of the schedule which forced travelers to leave their Pullmans at the Byrd Street Station at 11 o'clock in the morning. The train arriving from the South at that hour carried no sleeper which was dropped here, while the southbound train arriving at 1 A. M. picked up no sleeper here.

As a result, however, of a conference and much correspondence, it was announced by the chamber yesterday that the Atlantic Coast Line had agreed to operate a Richmond Pullman on the coast trains, from which the car arriving here at 4:30 o'clock in the morning will be switched to the Byrd Street Station at 11 o'clock, and the passengers may remain aboard until 7 o'clock. The same car will go out the next morning at 1 o'clock, but it will be open for passengers at 9 or 10 o'clock in the evening.

Merchants, and especially wholesale dealers, who have been advocating just such service, contend that it will bring buyers here in larger numbers than ever before, for the reason that many preferred to go to Baltimore rather than put up with the unsatisfactory sleeping schedule. While Richmond, of course, does not expect to bring Florida business, it will mean to the merchants that the Chamber of Commerce is taking steps to make the city more attractive to tourists.

Even in the tourist season, when the Atlantic Coast Line operates special trains between New York and the South, Richmond got very little of this business, because the tourists would not get out of the city until after daylight. Manager Weisker, of the Jefferson Hotel, said yesterday that a Florida-Richmond Pullman will increase the tourist trade of the city fully 25 per cent. during the winter months.

The lack of conveniences heretofore has been regarded as a handicap to business and hotel men in this city, and the chamber is rather much elated over the new schedule, which will be put into effect the first of next month. It was explained by the railroad people that the through trains would not get out of the city until after 11 o'clock, but when the case was presented, the company cheerfully consented to adopt the chamber's suggestion.

The chamber committee had hoped and expected to send John M. Miller, Jr., vice-president and cashier of the First National Bank, along with Mr. Dabney to the convention, but he is still in the West. Mr. Powell goes as the representative of the City Council.

While in New York Mr. Dabney will invite the American Gas Institute to hold its next convention in Richmond.

Addressing himself to the "Sergeant of Richmond," C. L. Hatcher, Sheriff of Roanoke county, has written to the police authorities here asking them to arrest W. S. Beasley, George Wells, R. Wyatt, William J. and Mrs. J. E. Wyatt, who are charged with breaking the automobile law of the State of Virginia. The date of the alleged violations is given as for Mrs. Wyatt, September 11; for Mr. Willingham, September 11; for Mr. Beasley, September 4; for Mr. Beasley, September 4.

The four warrants, which accompanied Sheriff Hatcher's letter, were placed in Captain McMahon's hands yesterday afternoon for execution, but pending further investigation and because of the declaration of two for whom warrants were sworn out that they were not in or near Roanoke county on the dates mentioned, he deferred taking action. Captain McMahon interviewed Mr. Willingham in the latter's office. The date of Mr. Willingham's alleged offense happened to have fallen on Labor Day, and he distinctly remembered that he was in or about Richmond on that date. High Constable Wyatt came into headquarters and declared that neither he nor his wife had ever been further than ten or fifteen miles from Richmond in their automobile, which is registered in the name of Mrs. Wyatt. The other three will be interviewed later, and the result of the investigation will be communicated to Sheriff Hatcher.

Makes "Swift" Offer.
The Roanoke county official seems, however, to take things for granted, for he states in his letter that the warrants were made by the sheriff and him to say to the police authorities here that if these people will plead guilty and pay the minimum fine, including costs, which will amount to \$15 each, that the Richmond police need not make any further investigation.

But none of the warrants was executed yesterday in view of the probability of these being some mistake. With one exception, the numbers of the automobiles sent with the names of the persons in the warrants are correct. Mr. Willingham's automobile number is given in the warrant as 17. Mrs. Beasley's, 124. Records in the office of the Secretary of the Commonwealth show the first three to be correct, but automobile No. 124 is placed against the names of F. G. Frye and E. A. Rice, both of Richmond.

There are probably about 5,000 automobiles in Virginia, many of which have not been properly registered under the new registration law, which went into effect several months ago. Through the failure of the law, it seems to be of many owners to register their cars, there are many automobiles being operated under duplicate numbers, which makes it almost impossible for the county authorities ever to get the people offending. The laws of the State unless they are caught on the spot. The old registration of 1909 gives entirely different owners for the numbers 124, 125, 126, 127, 128, 129, 130, 131, 132, 133, 134, 135, 136, 137, 138, 139, 140, 141, 142, 143, 144, 145, 146, 147, 148, 149, 150, 151, 152, 153, 154, 155, 156, 157, 158, 159, 160, 161, 162, 163, 164, 165, 166, 167, 168, 169, 170, 171, 172, 173, 174, 175, 176, 177, 178, 179, 180, 181, 182, 183, 184, 185, 186, 187, 188, 189, 190, 191, 192, 193, 194, 195, 196, 197, 198, 199, 200, 201, 202, 203, 204, 205, 206, 207, 208, 209, 210, 211, 212, 213, 214, 215, 216, 217, 218, 219, 220, 221, 222, 223, 224, 225, 226, 227, 228, 229, 230, 231, 232, 233, 234, 235, 236, 237, 238, 239, 240, 241, 242, 243, 244, 245, 246, 247, 248, 249, 250, 251, 252, 253, 254, 255, 256, 257, 258, 259, 260, 261, 262, 263, 264, 265, 266, 267, 268, 269, 270, 271, 272, 273, 274, 275, 276, 277, 278, 279, 280, 281, 282, 283, 284, 285, 286, 287, 288, 289, 290, 291, 292, 293, 294, 295, 296, 297, 298, 299, 300, 301, 302, 303, 304, 305, 306, 307, 308, 309, 310, 311, 312, 313, 314, 315, 316, 317, 318, 319, 320, 321, 322, 323, 324, 325, 326, 327, 328, 329, 330, 331, 332, 333, 334, 335, 336, 337, 338, 339, 340, 341, 342, 343, 344, 345, 346, 347, 348, 349, 350, 351, 352, 353, 354, 355, 356, 357, 358, 359, 360, 361, 362, 363, 364, 365, 366, 367, 368, 369, 370, 371, 372, 373, 374, 375, 376, 377, 378, 379, 380, 381, 382, 383, 384, 385, 386, 387, 388, 389, 390, 391, 392, 393, 394, 395, 396, 397, 398, 399, 400, 401, 402, 403, 404, 405, 406, 407, 408, 409, 410, 411, 412, 413, 414, 415, 416, 417, 418, 419, 420, 421, 422, 423, 424, 425, 426, 427, 428, 429, 430, 431, 432, 433, 434, 435, 436, 437, 438, 439, 440, 441, 442, 443, 444, 445, 446, 447, 448, 449, 450, 451, 452, 453, 454, 455, 456, 457, 458, 459, 460, 461, 462, 463, 464, 465, 466, 467, 468, 469, 470, 471, 472, 473, 474, 475, 476, 477, 478, 479, 480, 481, 482, 483, 484, 485, 486, 487, 488, 489, 490, 491, 492, 493, 494, 495, 496, 497, 498, 499, 500, 501, 502, 503, 504, 505, 506, 507, 508, 509, 510, 511, 512, 513, 514, 515, 516, 517, 518, 519, 520, 521, 522, 523, 524, 525, 526, 527, 528, 529, 530, 531, 532, 533, 534, 535, 536, 537, 538, 539, 540, 541, 542, 543, 544, 545, 546, 547, 548, 549, 550, 551, 552, 553, 554, 555, 556, 557, 558, 559, 560, 561, 562, 563, 564, 565, 566, 567, 568, 569, 570, 571, 572, 573, 574, 575, 576, 577, 578, 579, 580, 581, 582, 583, 584, 585, 586, 587, 588, 589, 590, 591, 592, 593, 594, 595, 596, 597, 598, 599, 600, 601, 602, 603, 604, 605, 606, 607, 608, 609, 610, 611, 612, 613, 614, 615, 616, 617, 618, 619, 620, 621, 622, 623, 624, 625, 626, 627, 628, 629, 630, 631, 632, 633, 634, 635, 636, 637, 638, 639, 640, 641, 642, 643, 644, 645, 646, 647, 648, 649, 650, 651, 652, 653, 654, 655, 656, 657, 658, 659, 660, 661, 662, 663, 664, 665, 666, 667, 668, 669, 670, 671, 672, 673, 674, 675, 676, 677, 678, 679, 680, 681, 682, 683, 684, 685, 686, 687, 688, 689, 690, 691, 692, 693, 694, 695, 696, 697, 698, 699, 700, 701, 702, 703, 704, 705, 706, 707, 708, 709, 710, 711, 712, 713, 714, 715, 716, 717, 718, 719, 720, 721, 722, 723, 724, 725, 726, 727, 728, 729, 730, 731, 732, 733, 734, 735, 736, 737, 738, 739, 740, 741, 742, 743, 744, 745, 746, 747, 748, 749, 750, 751, 752, 753, 754, 755, 756, 757, 758, 759, 760, 761, 762, 763, 764, 765, 766, 767, 768, 769, 770, 771, 772, 773, 774, 775, 776, 777, 778, 779, 780, 781, 782, 783, 784, 785, 786, 787, 788, 789, 790, 791, 792, 793, 794, 795, 796, 797, 798, 799, 800, 801, 802, 803, 804, 805, 806, 807, 808, 809, 810, 811, 812, 813, 814, 815, 816, 817, 818, 819, 820, 821, 822, 823, 824, 825, 826, 827, 828, 829, 830, 831, 832, 833, 834, 835, 836, 837, 838, 839, 840, 841, 842, 843, 844, 845, 846, 847, 848, 849, 850, 851, 852, 853, 854, 855, 856, 857, 858, 859, 860, 861, 862, 863, 864, 865, 866, 867, 868, 869, 870, 871, 872, 873, 874, 875, 876, 877, 878, 879, 880, 881, 882, 883, 884, 885, 886, 887, 888, 889, 890, 891, 892, 893, 894, 895, 896, 897, 898, 899, 900, 901, 902, 903, 904, 905, 906, 907, 908, 909, 910, 911, 912, 913, 914, 915, 916, 917, 918, 919, 920, 921, 922, 923, 924, 925, 926, 927, 928, 929, 930, 931, 932, 933, 934, 935, 936, 937, 938, 939, 940, 941, 942, 943, 944, 945, 946, 947, 948, 949, 950, 951, 952, 953, 954, 955, 956, 957, 958, 959, 960, 961, 962, 963, 964, 965, 966, 967, 968, 969, 970, 971, 972, 973, 974, 975, 976, 977, 978, 979, 980, 981, 982, 983, 984, 985, 986, 987, 988, 989, 990, 991, 992, 993, 994, 995, 996, 997, 998, 999, 1000.

SPURRED ELECTION
Dental Student Body Names Blankenbaker as President.

Enthusiasm characterized the first regular meeting of the dental student body of the Virginia School of Dentistry, which was held last night in the hall of the Virginia Hotel. The meeting was presided over by the new president, E. L. Blankenbaker, who was elected by a large majority.

Never before in the history of the school perhaps had there been a more spirited election of officers, and one which was attended with more interest. The fight for the presidency was especially keen. After having been in session for several hours, the meeting broke up for the night, with the understanding that the following week the election of officers would be held.

The vote stood as follows: For president, Blankenbaker, 18; for secretary, Turner, 17; for treasurer, Turner, 17; for secretary, Turner, 17.

The secretary was then elected by unanimous vote.

Visitor Who Wanted to Show Judge Wells Is Shown Cell in County Jail.

Because he attempted to tell Judge Ernest Wells how a court should be conducted and refused to be quiet after a warning, D. J. Donivant, a white man, a good deal the worse for liquor, was yesterday morning fined for contempt in the Circuit Court of Henrico county and sent to jail in default of the fine.

Donivant loathed into the court room yesterday morning, and when he was told to get a good place to rest for a time, he listened attentively to the proceedings, but his desire to see a court conducted according to his own ideas got the better of his discretion, and the judge was requested to vacate the bench in his favor.

The sheriff lost no time in bringing him before the bar, and he was told that if he did not keep quiet the court would impose a fine on him. Donivant, however, was too anxious to try his hand, and just couldn't keep from talking back. Judge Wells then lost his patience and he was ordered to be taken to the county jail, where he will remain until he can be removed.

He probably will be given a chance to apologize this morning after he becomes cool and sober.

A CONUNDRUM
Why do people who don't eat pork as meat continue to use it in the form of lard? Lard is just as indigestible as pork. In a recent article on cooking lard, Dr. Paige Lundy, the eminent specialist, writes as follows:

"The healthful and economical solution of the cooking fat problem is the use of Cottolene. Cottolene is a pure vegetable oil, is easily assimilated, and aids digestion. Dietetic experiments have shown conclusively that when a vegetable oil is used in cooking in preference to animal fat, it is more easily assimilated and yields far more nourishment to the body."

Cottolene is not only wholesome; it is economical as well, one-third less being required.
